ENGAGE C-SERIES HARDWARE

Standard sizes:
15", 19", 22"
and custom sizes available

Streamlines visitor interactions including wayfinding and self-payment, in a brandable, compact form factor.

The enGAGE C-Series is a countertop-mount digital kiosk enclosure that is ideal for a range of applications, from visitor management and digital receptionist use, to commissary and food-service self-pay needs.

The enGAGE C combines sleek, powder-coated steel construction with modular design and an extensive range of available options. Whether as a non-touch kiosk showcasing local information or a static directory assisting visitors at a reception desk, or integrated with EMV or NFC secure payment systems for interactive self-pay applications such as QSR self-check-out and even retail cash wraps, the C streamlines visitor interactions in a brandable, compact form factor.

Also available:

- Custom branding including silkscreen, decal and vinyl wraps
- Optional component integrations (see p. 2 tech specs)
- Touch (interactive) or non-touch (static) displays

ADA COMPLIANT
ISO 9001:2015 CERTIFIED
