REDYREF Smart RFID Refrigerated Fresh Food Kiosk

Revolutionizing Fresh Food Access

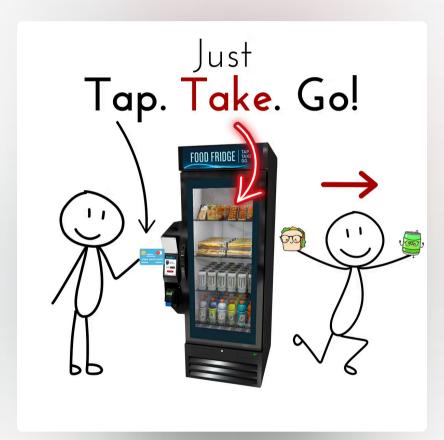

Executive Overview

Meet the Food Fridge

REDYREF's latest innovation in smart RFID fresh food yending

- Revolutionizing how fresh food is accessed and enjoyed bringing healthy options directly to your customers 24/7
- Offers automated 24-hour sales with fully unattended retail no staff required, maximum accessibility
- Simple user experience: Tap-Take-Go customers swipe their card, take what they want, and walk away

Key Business Benefits

24/7 Revenue Generation

Operate around the clock without staff, providing constant access to fresh food and maximizing sales opportunities.

Significant Cost Savings

Minimize labor expenses for more efficient and cost-effective operations compared to traditional retail.

Reduced Shrinkage & Theft

Maximize profits while minimizing waste and theft using advanced RFID technology that tracks every item.

Enhanced Customer Experience

Quick, seamless, and secure grab-and-go payment experience that customers love - no lines, no waiting.

____ Complete Remote Management

Keep track of inventory, pricing, and transactions with real-time updates and control from anywhere.

Why Choose REDYREF?

The REDYREF Advantage: We're not just a kiosk company - we're a complete solution provider with four U.S. manufacturing facilities strategically placed around the US.

Proven Expertise

Trusted kiosk partner for over 100 years

Superior Quality

4 ISO:9001 certified manufacturing locations

Total Support

Includes remote training and ongoing support

Vertical Integration

Complete solution from product design to installation

Investment Overview

Total Cost of Ownership:

- One-Time Unit Cost: ~\$7,500
- Monthly Fee: ~\$200 (includes support & cellular connectivity)
- Per-Transaction Fee: \$0.20 \$0.30
- RFID Tags: ~\$0.18 per item

ROI Expectation: Many operators become cash-flow positive in the first month. Your specific ROI depends on sales volume and product margins.

Financing Available: 3- to 5-year terms with competitive rates through our financing partner, subject to credit approval.

Ideal Locations

High-Traffic Venues

Offices, hospitals, universities, transit hubs, hotels

Managed Locations

Venues where a monthly management fee (\$200-\$800+) supplements transaction revenue

Perfect for organizations seeking:

- Employee/visitor convenience
- Additional revenue streams

- Healthy food options
- 24/7 accessibility without staffing costs
